

**SATISH NARSIKAR**

The programme started by DEEPER is really admirable.  
Exams conducted by DEEPER build up confidence  
which plays a major role for the performance in CET.  
Exams are very helpful for the preparation.  
DEEPER gave me a real experience about main CET paper.  
The papers solved in DCT and kasauti were very much similar with that of CET.  
They were as per the syllabus prescribed by govt.  
They helped me to know my level of preparation.  
They will also be useful for the students preparing for entrance exams.

Thank you DEEPER.
